

Leonardo da Vinci Health Sciences Charter School (LdVCS)

## **Adopt-A-Class Program**

[www.daVinciCharter.org](http://www.daVinciCharter.org)

Adopt-A-Class is an opportunity for you to mentor students in our school. As an expert in your field of work, you are training and learning new information daily. Who better to spread the message that education is important in achieving goals than you? Adopt-A-Class brings your expertise into our classrooms to lead students through lessons on collaboration, problem solving, responsibility, integrity, and perseverance. Students will also research careers, values, and understand the importance of staying in school.

### **How do we start?**

In order to accommodate the busy schedules of our mentors and school, Adopt-A-Class allows program participants the freedom and flexibility to set their own schedule. You and the classroom teacher coordinate classroom visits.

### **Sign me up!**

If you are ready to participate in Adopt-A-Class, contact our school at (619) 271-2777 or email the following information to [info@daVinciCharter.org](mailto:info@daVinciCharter.org)

- Name
- Organization/Business
- Area of expertise
- Grade Level(s) you are interested in working with
- Contact Information/Best time to reach you

### **Questions?**

The LdVCS Team is available to provide more information or answer any questions and can be contacted at [info@daVinciCharter.org](mailto:info@daVinciCharter.org) and at (619) 271-2777.
